## BLACK/CHROME DTACH OFFERINGS

*Add some functionality to a lanyard with this detachable end fitting.*

This two-piece attachment solution features both black plastic and chrome metal portions. Known as a DTACH component, the black and chrome pieces lock together to form a sturdy attachment. With a squeeze to the clasps, the two pieces come apart, making it a perfect attachment for cards that need to be scanned or for carrying keys. Instead of removing the lanyard, one can simply detach the card or keys and reattach them when ready.

## TRUECOLOR PRINTING

TRUECOLOR printing allows for full-color customization right on the product for a more professional look, bringing custom logos, graphics and text to life.

**High quality** – TRUECOLOR printing allows custom graphics, logos and text to be printed directly on a select group of rigid plastic holders and badge reels.

**Vivid color** – Rather than a one- or two-color print process or labels, TRUECOLOR digital printing is able to incorporate hundreds of colors for true full-color graphics and text.

**Long-lasting** – TRUECOLOR printing is applied directly to the product surface for a durable and long-lasting solution.

## “EVENT-SIZE” VINYL BADGE HOLDER
